

The-mRu Store

Comprehensive Frequently Asked Questions (FAQ) & Knowledge Base

1. General Information & Account

Q: What is The-mRu Store?

The-mRu Store is an advanced multi-vendor e-commerce marketplace. We provide a secure digital platform connecting independent sellers with buyers globally, offering a wide array of physical and digital consumer goods under strict quality and security standards.

Q: Do I need an account to place an order?

Yes. To fully utilize our marketplace—including secure checkout, order tracking, and post-sale support—you must register for a free account. Guest checkouts are not permitted to ensure fraud prevention and secure escrow processing.

Q: What should I do if I forget my password?

You can reset your password using the "Forgot Password" link on the login page. A secure reset token will be sent to your registered email address or phone number. We highly recommend enabling two-factor authentication (2FA) for added security.

2. Orders & Cart Management

Q: Does adding an item to my cart reserve it?

Items placed in your cart are only reserved for a strict **30-minute window** once you initiate the checkout process. If payment is not finalized within this timeframe, the inventory is released back to the general marketplace.

Q: Can I change or cancel my order after placing it?

You can cancel your order free of charge directly from your dashboard **only** while the order status is 'Pending' or 'Processing'. Once the order status changes to 'Shipped', it is locked and must proceed through the standard returns process upon delivery.

Q: Do you offer price matching if an item drops in price after I buy it?

No. Our platform uses dynamic pricing algorithms based on market conditions and vendor adjustments. The final binding price is the one displayed at the exact moment of payment authorization. We do not offer post-purchase price matching or retroactive refunds.

3. Payments & Security

Q: What payment methods are accepted?

We accept major Credit and Debit cards, secure digital wallets, approved Mobile Financial Services (MFS), and authorized direct bank transfers depending on your region.

Q: Is my payment information secure?

Absolutely. All financial transactions are tokenized and processed through PCI-DSS Level 1 compliant third-party processors. The-mRu Store never stores raw credit card numbers on our internal database. Funds are held in a secure escrow system and are only released to the vendor after your order is successfully fulfilled.

4. Shipping & Delivery

Q: How do I track my shipment?

Once your item is dispatched by the vendor, the status will update to 'Shipped', and a tracking number from an approved logistics carrier (e.g., FedEx, DHL, local couriers) will be uploaded to your account dashboard. You will also receive an automated tracking link via email/SMS.

Q: Who pays for customs and import duties on international orders?

Unless explicitly stated otherwise at checkout, international shipments are Delivered Duty Unpaid (DDU). The buyer is 100% responsible for paying any inbound customs duties, import taxes, or brokerage fees levied by their local government.

5. Returns, Refunds & Disputes

Q: What is the return policy?

We offer a strict **14-day return window** starting from the exact timestamp of delivery. Items must be returned in pristine, factory-sealed condition with all original tags. Certain items (digital software, intimate apparel, perishable goods) are non-returnable.

Q: Who covers the cost of return shipping?

- **Buyer's Remorse:** If you ordered the wrong size or changed your mind, you are responsible for return shipping costs, and a restocking fee of up to 15% may apply.
- **Defective/Incorrect Item:** If the item is defective or materially different from the listing, the vendor covers all return shipping costs and issues a 100% full refund.

Q: How long does it take to process a refund?

Once the returned item is received and inspected at the vendor's warehouse or our central processing facility, approved refunds are credited back to the original method of payment within **5 to 10 business days**.

Q: What should I do if I have an issue with a vendor?

If a dispute arises, open a support ticket from your dashboard to communicate directly with the vendor. If the vendor fails to provide a satisfactory resolution within 48 business hours, you may escalate the ticket to The-mRu Store administrative staff for binding mediation.

6. Vendor & Marketplace Policies

Q: How can I sell my products on The-mRu Store?

Independent businesses can apply via our Vendor Onboarding portal. Applicants must provide verifiable business licenses, tax identification documentation, and legal operational addresses. Vendors operate under strict Service Level Agreements (SLAs).

Q: How do you handle counterfeit goods?

We enforce a zero-tolerance policy for counterfeit merchandise and Intellectual Property (IP) theft. If you suspect an item is counterfeit, report it immediately via the "Report Listing" button. IP owners can submit sworn legal takedown requests through our DMCA compliance portal.
